actua

Learning for Change.

Decouvrir pour demain.

Actua provides training, resources and support to a national network of local organizations offering science and technology education programs. Actua members reach 200,000 youth per year. Please visit Actua on the web at www.actua.ca

Creative Encounters is an entirely student run, non-profit organization affiliated with the School of Engineering at the University of Guelph and a proud member of Actua. The main objective of the program is to provide a fun, safe, non-discriminatory and stimulating environment that inspires young people to explore their fascination with science, engineering and technology in an interactive and hands-on manner. Established in 1993, Creative Encounters has developed a strong reputation for its science and technology summer camps, all-girls initiatives, volunteer programs, community and classroom workshops and initiatives to reach under-represented audiences.

[Kincardine 2011]

Back by popular demand, Creative Encounters will be running one week of our hands on science, engineering, and technology day camps in Kincardine, Ontario. This week combines all of our best projects from the science and technology camps offered at the University of Guelph. Camps will be offered during the week of **August 1st - 5th** for children entering grades **3-5** and grades **6-9**. It is sure to be another great week!

Creative Encounters is proud to offer **ONLINE Registration** for the summer of 2011 at www.creativeencounters.info. If registering by mail make cheques payable to Creative Encounters and may be postdated to July 18th, 2011.

Cost: \$195/week

[Amazing Staff]

The Staff at Creative Encounters is a dynamic group of Undergraduate Science and Engineering Students at the University of Guelph. Using knowledge gained through their studies, Staff Members collaborate to create and implement a fun-filled curriculum that will inspire campers of all levels!

[Additional Notes]

- Every Camper goes swimming once a week
- Bring your own lunch each day
- Parents are invited to an open house at the end of each week

[A Day at Camp]

Every year, Creative Encounters has a new curriculum with new projects designed by our dynamic staff. **Last summer**, a non-swimming day would have been scheduled as follows:

8:30-9:00	Campers dropped off
9:00-11:00	Egg drop challenge
11:00-12:00	Light-up Frisbee
12:00-1:00	Lunch (bring your own)
1:00-2:00	Canada-arm Madness
2:00-3:30	Pop Bottle Rockets
3:30-4:00	Clean up and take home projects
4:00-4:30	Campers picked up

[Reactions to 2010 Workshops...]

"It was nice to see my class engaged and excited about science. Thanks!"

-Margie Chisholm, Grade 7/8 teacher

"This is an amazing and very beneficial program that you run. It is very inspiring for young students."

-Joanna Krawiec, JK/SK teacher
